

## 2022 Introductory Course Brochure

### About Us

Drone-X (Pty) Ltd is an **Approved Training Organization** with the **Civil Aviation Authority** providing professional course for recreational and commercial RPAS Pilots. Our Training License number is **CAA/0420**

Our **Introductory Course** provides private individuals the knowledge and basic practical skills to operate the unmanned aircraft in a safe and legal manner. Introductory courses are not scheduled, we book your lesson with an instructor at a time that is convenient for you at one of our training venues.

This course consists of a training session of approx. 2 hours (1hr theory and 1hr practical).

Kindly Note: this course is not a legal drone license, however we do provide you with a certificate of completion.

### Venues

We provide training at approved venues in Cape Town, Johannesburg and Durban.

Area	Practical
Cape Town	Wild Clover Farm, Stellenbosch
Johannesburg	Centurion
Durban	Harlequins Rugby Club, The Bluff

### How do I book my session?

The Introductory session is booked on an appointment basis. Please contact our office to book an appointment slot for you.
