

BVLOS Brochure

Please enquire for current course fee details at training@drone-x.co.za

About Us

Drone-X (Pty) Ltd is an **Approved Training Organization** with the **Civil Aviation Authority** providing a professional course for recreational and commercial RPAS Pilots.

Our Training License number is CAA/0420.

Venues

We provide BVLOS training at approved venues in **Cape Town and Johannesburg.**

Area	Practical Training
Cape Town	Cape Town International / Somerset West
Johannesburg	Midrand

Requirements

To enrol in the BVLOS course, the prospective candidate must:

- be **18 years** or older
- Hold a valid RPL
- Be in possession of a valid **Class 3 Aviation Medical Examination** prior to starting the course.
- Have own Windows-based laptop (Mission Planner is unfortunately not compatible with Apple)

Course Structure

The Course Material will be provided to Candidates during the week leading up to the start of the course.

- Air Law
- Meteorology
- Radio Telephony, Airspace & Charts
- Human Factors
- CRM
- Wireless Links
- Mission Planning

The course consists of 5 days of training in the classroom, and covers the above theory modules as well as practical simulation. The Mock Skills Test (LOR) will be done on the Friday, and the final Skills Test will then be scheduled with the examiner once the candidate is proven competent.

Application to Civil Aviation Authority & Issue of BVLOS endorsement

Drone-X will arrange the submission of the application to the Civil Aviation Authority and will supply each candidate with a list of required supporting documentation. Once the BVLOS endorsement is issued, it will be updated on your CAA online profile.

What Now?

- To register for the BVLOS course, kindly complete the **Registration Form** and email it back to us.
- Please enquire for the latest **Course Schedule**.
